Letter No. 1615, dated 14th June 1892, from the Comptroller, stating, with reference to Government Proceedings No. 3558—164, dated 27th May 1892, that no accounts are received in his office monthly of properties kept in Treasuries for safe custody and that the Treasury officers have been directed to furnish the information required.

No. 6193-202—R. F. 185-92, DATED BANGALORE, 31ST OCTOBER 1892.

ORDER THEREON.—When packets or cash or other chests of officers of the Judicial, Public Works or other Departments are lodged for safe custody in a District or Taluk Treasury, the same should be under proper lock and seal or otherwise properly secured, so that the responsibility of the Treasury officer may be limited to the box or packet and not extended to its contents. Such chests should not be allowed to remain in charge of Treasury officers for a longer period than 3 months at a time. When they are kept for longer periods, the officers concerned should be requested to withdraw them and if they fail to do so, the same should be reported to Government.

2. It must be remembered that the permission granted for the safe custody of cash boxes, &c., relates only to those belonging to Government Departments and not to money or properties of temples. If any money or property belonging to a temple is required to be kept in the District or Taluk Treasuries, the money should be brought to account under deposits, and a list of jewels with their weights, &c., prepared and given by the Depositor, which should be carefully checked by the Treasury officer and certified accordingly and a copy of it given to the Depositor. When any jewels are withdrawn, the necessary entry must be made in the list. The jewels must always be secured in the *District Treasury*, unless they are of small value in which case they may be kept in the Taluk Treasury. Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Municipal),—dated 20th October 1892.

READ :—

Docket from the Deputy Commissioner of the Kadur District, dated 20th August 1892, No. 72, submitting a statement of works sanctioned by him during the first twelve months of the year 1891-92 in the several Municipalities of the District and stating that the practice of sending Notifications of sanction was not in force for some years in the District.

No. 5549-50—L. F. 154-92, DATED BANGALORE, 20TH OCTOBER 1892.

ORDER THEREON.—Government are aware that of the *Estimates and Notifications of sanction* prescribed * so far back as January 1871, the latter have not been submitted for some years past for any of the Municipalities in the Kadur District. But the omission in the previous years is no excuse whatever for their non-submission on account of works executed during 1891-92, in disregard of the instructions issued in Government Proceedings, dated 18th March and 23rd June 1892, Nos. 14681-2—L. 1520 and 5318—L. 654, respectively. They are not however inclined to insist upon Estimates and Notifications of sanction being submitted for works executed till 31st March 1892, and the list submitted with the docket read above will accordingly be accepted. But for every work executed in each Municipality from 1st April 1892, Estimate or Notification of sanction should be submitted as early as possible. It should be distinctly understood that no work need be undertaken in the future by any Municipality without a regular estimate being framed and sanction obtained thereto by competent authority.

Vide Public Works Secretary's docket to the address of the Division Superintendent, dated 23rd January 1871, Nos. 412, 413 and 414.

2. The Comptroller, to whom all sanctions are invariably communicated, is requested to see that every item of expenditure incurred on account of Public Works in any Municipality from 1st July 1892 is supported by an Estimate or Notification of sanction approved by Government and to place under objection all sums expended on works without such authority.

Chief Secretary.

No. 5954-63—L. F. 157-92, DATED BANGALORE, 31ST OCTOBER 1892.

ORDER THEREON.—In their Proceedings, dated 1st February 1892, No. 12192-200—L. 1201, Government observed that the Octroi and other collection in some Municipalities were made without payment of any commission to village officers or entertaining any special establishments for the same, while in some Municipalities there were either special establishments maintained or commission paid to village officers and therefore called upon the Presidents of all Municipalities, except the largest towns of Bangalore and Mysore, where separate establishments are absolutely necessary, to explain the existing arrangements in each Municipality for the collection of revenue and to furnish their opinion as to the feasibility or otherwise of a uniform system of collection by village officers and the Taluk establishments without any extra cost to the Municipalities. The papers recorded above are in reply.

2. The Deputy Commissioner of the Kolar District reports* that the Octroi on cloth is collected by the Amildar or Sheristadar in the Taluks and by the Deputy Amildar or Head Gumasta in the Sub-Taluks, the piece goods being taken by their owners to the Taluk Cutcherries.

* No. 880—192, dated 27th May 1892.

3. Mohatarfa and Miscellaneous items are collected by village Shanbhogs and Patels, to whom 1 per cent commission is paid in Minor Municipalities, while in the District Head-quarter town, salaries at the rates of Rs. 7 and Rs. 5 per mensem are paid to the Patel and Shanbhog respectively.

4. The Deputy Commissioner suggests the continuance of the present arrangement till the introduction of Pakka Potige settlement, in which Mohatarfa collections will, he believes, be taken into account. He adds that if the village officials are relieved of the work, a separate establishment will have to be entertained at a very high cost.

5. In Tumkur, Octroi is collected by the Municipal Overseer, while Mohatarfa in this and other Municipalities is levied by village officials without any remuneration, as it is believed that Mohatarfa tax was taken into account in fixing the Pakka Potige. The Deputy Commissioner recommends the continuance of the present arrangement.

Tumkur Deputy Commissioner's No. 818, dated 9th February 1892.

6. Octroi is collected in the Municipalities of Seringapatam, Hunsur and Nanjangud, but separate establishments are maintained in the first and the last towns only, while for Hunsur, where no establishment at present exists, the Board recommend the payment of a commission to the collection agency.

Mysore Deputy Commissioner's letter, dated 1st September 1892, No. 508.

7. Seringapatam enjoys full Mohatarfa and the other Municipalities a moiety thereof, but Seringapatam and Melkote alone maintain special establishments, while commission is paid to the village servants, in Nanjangud, as no Pakka Potige is received by them. The Deputy Commissioner considers that the collection establishment in Seringapatam has to be strengthened and that instead of a separate Mutsaddi for Melkote, the payment of commission to the village servants would prove financially advantageous to the Municipality. The Municipal Board at Hunsur consider that, as only a moiety of Mohatarfa is credited to them, no cost on account of its collection should be debited to them.

8. Special establishments are maintained at Hassan for collecting Octroi, while in other towns village servants do the work on payment of 5 per cent commission except at Belur, where the work is entrusted to the Municipal Dafadar who receives commission at the same rate.

Letter from the Deputy Commissioner of Hassan, dated 1st March 1892, No. 821.

9. The District Head-quarter town employs a Mutsaddi for collecting the Mohatarfa tax, while the same is collected by village servants in Minor Municipalities without any remuneration whatever.

10. In Shimoga separate establishments are maintained for the collection of Octroi as well as Mohatarfa. In Minor Municipalities, Mohatarfa is collected by village officials, except at Tirthahalli, where the work is entrusted to the Sayer Manegar; while Octroi is collected in Channagiri, Honnali, Nyamti, Shikarpur, Siralkoppa and Sagar by Municipal Mutsaddis and in Nagar, Tirthahalli and Sorab by Sayer establishments.

Shimoga Deputy Commissioner's letter, dated 11th June 1892, No. 270—259.

11. The Sub-Division Officer of Sagar is of opinion that the collection of Octroi and Mohatarfa may be entrusted to the village officials on payment of 2 per cent commission, but the Deputy Commissioner considers that this is not necessary except at Shimoga, where the costly establishments employed for the collection of Mohatarfa may be replaced by village officials, and the existing Octroi establishment reduced considerably; and that the collection of Octroi in the other towns may be entrusted to Sayer establishments.

12. In Chikmagalur and Sringeri, separate establishments are employed for collecting Octroi and Mohatarfa including House tax and their continuance is stated to be necessary. In the other Municipalities except Ajjampur, where there is a Peon on Rs. 6 per mensem, House and Mohatarfa taxes are collected by village officials, on payment of commission. The continuance of this system is recommended. The procedure observed as regards Octroi varies in different places. In Tarikere, duty on one of the 2 articles, *viz.*, oil, is collected by the Municipal Mutsaddi, but that on the other, *viz.*, cloth by the Taluk Gumasta. In Kadur and Birur, Sayer establishments collect Octroi receiving 5 per cent commission with the assistance of Peons employed at the cost of Municipal Funds. In Yedahalli, however, the Municipal Mutsaddi, in addition to his legitimate duties collects the tax under the supervision of the Deputy Amildar. The Deputy Commissioner recommends the discontinuance of the commission paid for the collection of Octroi in Kadur and Birur.

Kadur Deputy Commissioner's docket, dated 25th May 1892, No. 35.

13. The Deputy Commissioner of the Chitaldroog District states in his letter, dated 6th March 1892, No. 581—550, that no separate establishments are maintained in any of the Municipalities for the collection of Municipal revenues. In

Challakere, Holalkere, Jagalur and Molkalmuru, all Municipal collections are made by the village officers. In Hiriyur and Hosdurga, Octroi is collected by Taluk establishments and in Chitaldroog, Davangere and Harihar, by Mutsaddis employed for conservancy.

14. The Government are of opinion that Mohatarfa should always and everywhere be collected by the taluk and village establishments, as it is part of their legitimate duty and they direct that this be done in future except in the Cities of Bangalore and Mysore. Where the Pakka Potige has been fixed and the Mohatarfa collections are taken into account in fixing the Potige—a fact which may be ascertained from the Settlement Department—the village officers are not entitled to any special remuneration, but where it has not yet been fixed, or if fixed the Mohatarfa has not been taken into account, the Deputy Commissioners may, at their discretion, grant the village establishments a small commission, not exceeding 2 per cent on the collections. No special establishments should be entertained for the collection of Mohatarfa. The moiety payable to Government is the moiety of the net collections, that is, collections minus the commission paid to village officers, if any.

15. As regards Octroi, which is entirely a Municipal tax, it must be collected by the Municipal authorities at the expense of the Municipal Funds, but where it could be easily collected by the Taluk, Sayer, or village establishments, it may be done so and a small commission, not exceeding 5 per cent paid to them when such payment is considered necessary. The moiety paid to Government on some articles should, as in the case of Mohatarfa, be half of the net collections. Where the collections are made by Municipal authorities, who have also other duties to perform, 5 per cent may be deducted as the cost of collections.

16. The Deputy Commissioners are requested to give effect to the above orders from 1st January 1893.

Letter from the Deputy Commissioner of the Tumkur District, dated 19th September 1892 No. 338, submitting, with reference to Proceedings, dated 31st August 1892, No. 3225—L. F. 95-92, revised Supplemental Budget Estimates on account of Cattle-pounds for the year 1892-93 and stating that there is no difference between the net receipts estimated in the Budget sanctioned in Government Proceedings, dated 9th January 1892, No. 11086-90—L. 1105, and those now provided for.

No. 5383-5—L. F. 95-92, DATED BANGALORE, 17TH OCTOBER 1892.

ORDER THEREON.—It is observed that the estimate proposed in the first of the letters read above on account of fines for cattle trespass including fees for fodder charges amounted to Rs. 7,303, while the same is entered as Rs. 8,635 in the revised estimate. Moreover the Deputy Commissioner does not take into account, the charges on account of repairs to Cattle-pounds in calculating receipts. If this is also taken into account, the net receipts according to the revised estimate would only be Rs. 2,585, whereas the estimate sanctioned in Government Proceedings, dated 9th January 1892, No. 11086-90—L. 1105, is Rs. 5,780. Government are not however inclined to interfere with the revised estimate now submitted and they accordingly sanction the same as per details shown in the accompanying statement.

Proceedings of the Government of His Highness the Maharaja of Mysore, (General),—dated 10th October 1892.

No. 5246-87—G. F. 264-92, DATED BANGALORE, 10TH OCTOBER 1892.

ORDER.—Instances having occurred in which owing to abbreviations being adopted in the designations of officials franking Service Covers, such covers have been treated by the Postal Department as ordinary private communications and postage thereon demanded. Heads of Departments and Deputy Commissioners of Districts are requested to draw the attention of their subordinates to the subject, with a view to a stricter observance of the instructions contained in the Postal Guide. The full designation of the franking official should invariably be written on the covers. To prevent possible mistakes, rubber seals may be made and alone used.

READ:—

Letter from the Superintendent of Stationery, dated 20th July 1892, No. 1112—G. F. 85-92

No. 5976-6016—G. F. 85-92, DATED BANGALORE, 18TH OCTOBER 1892.

ORDER THEREON.—Under the strong representation made by the Superintendent of Stationery, the Government are pleased to sanction temporarily for one year, one additional Clerk or Accountant on Rs. 25 per mensem and two packers on Rs. 7 each.

2. The annual report called for should be submitted as soon as possible.

3. Much of the heavy work complained of by the Superintendent of Stationery appears to be due to want of proper system. The following instructions are therefore issued for future guidance.

4. All Indents must pass through the Heads of Departments, except in the case of Deputy Commissioners who may send their Indents to the Superintendent direct. The Officers concerned must clearly understand that no Supplemental Indents will be sanctioned unless it is shown that they have become unavoidably necessary. If, in any case, Supplemental Indents are sent, and the Superintendent of Stationery considers that no good cause has been shown for the quantities required not having been included in the Original Indent, he should bring the matter to the notice of Government after complying with the Indent. The annual report should show the number of Supplemental Indents received and passed.

5. All Indents for the Judicial Department should pass through the Chief Court, and the quantities passed by it may be supplied to the Officers concerned direct. The quantities required by the other Departments may be sent to the Head of the Department, or to the Officers concerned, as the Head of the Department may wish.

6. The stationery required for the Government Office should be sent to the Under-Secretary in two half-yearly instalments, and he will see to the detailed distribution.

7. The Superintendent's duty is simply to see that pens and pencils are according to the sanctioned scale, and that the articles which have to be supplied biennially or quinquennially are not indented oftener. As regards the other articles, it is his duty to supply the quantities indented for, unless they are unusual, in which case the sanction of Government must be obtained. If, in any case, he considers that the quantities indented for are excessive, he should report the matter to Government, but should not withhold the supply.

The Government look to the Heads of Departments for the moderate and proper use of the stationery and not to the Superintendent of Stationery who is only required to supply the articles required in proper time.

8. In view to the stationery being supplied in time, the Indents must reach the Superintendent at least 3 months before the due date.

9. With the arrangements above sanctioned, the Government trust that the work of the Superintendent will be much reduced, and he is requested to submit a special report at the end of one year on the requirements of his Office Establishment, which will be duly considered.

PART I.

DECISIONS OF GOVERNMENT IN REVENUE CASES.

OCTOBER 1892.

Petition No. 2790 of 1887-88.

Appellant .. Gadasahalli Subbaiya of Kankanhalli, Bangalore District.

In 1887 excess was found in the lands of Petitioner and it was charged with assessment and the same ordered to be collected in future and for the preceding 5 years.

2. Appellant's contention is that the excess is not the result of any encroachment, that it is situated within the usual boundaries, and that therefore it should not be charged till the Survey. But, as he has not adduced any evidence to prove his statement, his Petition will be dismissed.

No. 5846—P. F. 183, DATED 24TH OCTOBER 1892.

Communicated to the Deputy Commissioner, Bangalore District.

Petition No. 253 of 1891-92.

Appellant .. Risaldar Krishna Rao of Bangalore.

On the application of one Babu Rao (son of Mr. Assistant Commissioner Annaji Rao), the Deputy Commissioner Mr. Madhava Rao ordered the bed of Sampangi tank (about 6 acres) to be sold for cultivation, in a public auction. It was accordingly sold on 2nd March 1891, and was purchased by the Appellant for Rs. 571 The Deputy Commissioner Mr. Syed Nasiruddin cancelled the sale on 21st March 1891, on the ground that the cultivation of the bed would interfere with the water-supply of the tank and affect the convenience of the residents of Alsurpete who protested against the sale. The appeal is against this order.

2. The appeal petition was referred to the Deputy Commissioner for report. Mr. Madhava Rao, in reply, stated that as the sale was formally and regularly held, as it has fetched a good price, and as the purchaser has agreed to give up the land when required by Government, the sale might be confirmed.

3. From the records submitted, however, it having appeared that the Appellant was not the *bonâ fide* purchaser of the land and that it was bought by him on account of the Assistant Commissioner Mr. Annaji Rao, all the parties concerned were sent for and examined.

4. The Appellant Krishna Rao was not able to appear at the hearing, but he subsequently appeared before the Councillor Mr. Chentsal Rao, and stated in the presence of Mr. Madhava Rao, that he did purchase the land on account of Mr. Annaji Rao at his request, that he (Mr. Annaji Rao,) at the time of the auction promised to give ¼th share in the land to Mr. Sher Khan and ¼th to Mr. Annaiyappa Chetti, if they agreed not to bid against him, that they having consented to the arrangement, he raised the last bid by one rupee, and that the land was knocked in his favor. He further stated that, immediately after the sale was over, he wrote a note to the Taluk Sheristadar, asking him to receive deposit money from Mr. Sher Khan and Mr. Annaiyappa Chetti as they were entitled to a moiety of the land as *Shikmidars*, but that shortly afterwards Mr. Annaji Rao came to him and persuaded him to deposit the money in his own name as he was not disposed to

give a share to Mr. Sher Khan and Mr. Annaiyappa Chetti, and that he accordingly deposited the money in his own name.

5. Mr. Sher Khan corroborated the statement of Mr. Krishna Rao, but Mr. Annaiyappa Chetti, while admitting that ¼th share in the land was promised to him, stated that the promise was made after the sale was completed, as a matter of favor, since he held lands in the neighbourhood.

6. The Taluk Sheristadar stated that, at about 3 o'clock on 2nd March 1891, Sher Khan and Annaiyappa Chetti came to him with the note from Krishna Rao and deposited Rs. 142—12—0, but, an hour afterwards, Krishna Rao himself came to him and paid the deposit money, stating that Mr. Annaji Rao, for whom he purchased the land, objected to any deposit being received from Mr. Sher Khan and Mr. Annaiyappa Chetti. The note written by Mr. Krishna Rao, which alludes to the shares of Mr. Sher Khan and Mr. Annaiyappa Chetti, was also produced.

7. Mr. Annaji Rao denies all knowledge of the agreement made with Mr. Sher Khan and Mr. Annaiyappa Chetti, but admits that the purchase was on account of his son, who is an undivided member of his family. He also stated that he had the general permission of Government to acquire lands, but had no special permission to acquire the land under notice.

8. From the facts stated above, it is beyond doubt that Mr. Annaji Rao induced Mr. Sher Khan and Mr. Annaiyappa Chetti not to bid against him by promising them a share in the land, but having attained his object, endeavoured to keep the whole property to himself. It also appeared from the enquiry that but for the promise made by Mr. Annaji Rao, the property would have fetched a much larger price than Rs. 571.

9. Under these circumstances, the Government have no hesitation in declaring that the purchase is tainted with fraud and accordingly confirm the cancellation of the sale.

10. The conduct of Mr. Annaji Rao in the matter was not only dishonorable but fraudulent and opposed to Section 30 of the Land Revenue Code. Due notice of it will be taken in the Revenue Department.

11. The present Deputy Commissioner will be directed not to sell the land again without the sanction of Government.

No. 5680—P. F. 180, DATED 24TH OCTOBER 1892.

Communicated to the Deputy Commissioner, Bangalore District.

Petition No. 2237 of 1891-92.

Appellant.	*Vs.*	*Respondent.*
Virabhadrappa and others of Gokerebachahalli, Devanhalli Taluk.		Sonnappa.

Respondent's mother-in-law Kempakka held 2 candies of land of old No. 35 (about 26½ acres) on Halkaval assessment of Rs. 8—11—8. It is not known when she acquired the land, but the account of *Anauda* (1854-55) shows that she then had it. During the Survey in 1887, this number together with the old abandoned village site and the adjacent lands was made into 2* numbers and one of them, No. 16 registered in the name of Respondent, No. 17 being treated as gomal. Appellants then claimed a portion of the land No. 16, on the ground that it partly formed their old village site and partly contained trees planted by their ancestors. On this, No. 16 was divided into

	Acres.	Guntas.
*(1) No. 16	27	31
(2) No. 17	25	33

3 numbers as noted in the margin, No. 18 was treated as kharab, and the other two numbers were allowed to remain with the Respondent. On the appeal of the Respondent, No. 18 was re-assessed and made over to him in 1889.

	Acres.	Asst.
No. 16 ...	11-22	17
„ 18 ...	7-25	11
19 ...	8-24	12
Total...	27-31	40
Deduct kharab	1	
Remainder	26-31	

2. The Appellants complained against this settlement and the Deputy Commissioner finally decided in 1890, that they might enjoy the produce of the trees (13) situated on No. 18 as they were planted by their ancestors but that the land should remain with the Respondent. The appeal is against this order.

3. The present enquiry shows that out of the area of No. 18, acres 1-16 belongs to the old village site, and acres 3-23 occupied by 13 trees belonging to the Appellants, 5 belonging to Government and 2 trees belonging to Inamdars.

4. Appellants have, strictly speaking, no right either to their old abandoned village site (the abandonment having taken place so long ago as 1878) or to the trees planted by their ancestors on the waste adjoining the old village site on which they never paid any assessment. But the Respondent has still less claim to the land as he never held it before it was granted to him in 1887. As, between the Appellants and Respondent, the former have certainly better claims to their old village site, and to the land occupied by the trees planted by their ancestors and the Government also note that the old village site included in No. 18 contains a Pagoda and a pond belonging to the village community which abandoned the village site.

5. Judging from the areas of the several numbers given, Government presume that No. 17 treated as gomal includes a portion of old No. 35 belonging to Kempakka, since it is clear that No. 18 comprises acres 4-39 of village site, &c., and the remaining area of No. 18, *plus* the area of Nos. 16 and 19, is less than the area represented by 2 candies of old No. 35, that is, 26½ acres. The Government therefore direct that the area in No. 18 represented by the old village site and the area occupied by the trees planted by the ancestors of the Appellants, that is, acres 4 39, be made over to them, a corresponding area being given to the Respondent from No. 17, if he wishes to have it.

The Superintendent of Revenue Survey is requested to carry out the above order.

Narasimmaiengar of Grama, Hassan Taluk.		Srinivasaraghavachar.

In 1866, when the office of Patel was newly created, the uncle of Appellant was found to possess some claim to the office, and the Deputy Commissioner offered to give him the place if he would resign his office of Shanbhog. He did not accept the offer and the appointment was given to another, which ultimately passed to the Respondent.

2. The Appellant now claims the office, on the ground that the hak was formerly his. The Government observe that if he had any *hak*, he lost it so long ago as 1866, and his present claim cannot therefore be now admitted.

" " 491 of 1891-92.

Appellants .. 1. S. Ramaswamaiengar, Clerk, Resident's Office, Bangalore.
2. Venkatavaradaiengar.

Petitioner No. 1 complained that—
(1) private lands purchased from Municipal Funds for public purposes were given away to certain influential private parties to suit their convenience, and
(2) a certain road made by the Municipality was crooked and not straight as it was originally intended to be made.

2. Petitioner No. 2 says that the late Vice-President Mr. Srinivasacharlu promised to give him certain site for building, but that, after he left, the Municipality failed to give him the land.

3. Notice was given to the 1st Petitioner to appear and substantiate his first statement, but he failed to do so, and the report received from the Deputy Commissioner does not show that any land acquired for public purposes was given to private individuals. The petition will therefore be dismissed. The 2nd Petitioner will be informed that he should apply to the Municipal Board for the land said to have been promised to him.

No. 5847—P. F. 184, DATED 24TH OCTOBER 1892.

Communicated to the President, City Municipal Commission, Bangalore.

Petition No. 1400—484 of 1891-92.

Appellants .. Gundappa and Narasingappa of Kannamedi village, Pavagada Taluk, Tumkur District.

Petitioners hold certain lands under a tank constructed by one Bhimappa and they were assessed at wet rates during the Survey in 1872-73. The tank breached in 1878-79, and its bed was taken up on assessment by the son of the owner of the tank.

2. Petitioners now request that either the tank may be restored, or their lands assessed at dry rates, with retrospective effect for the last 5 years.

3. The Deputy Commissioner reports that the area of wet lands under the tank is 31 acres assessed at Rs. 76—3—7, that if they are assessed at dry rates the assessment would amount to Rs. 11—4—0, and that the assessment of the bed now occupied is Rs. 130, and that under these circumstances it would be more advantageous to assess the lands at dry rates than to restore the tank.

4. The Government agree with the Deputy Commissioner and accordingly direct that the assessment of Petitioner's lands under the tank be revised and charged at dry rates with retrospective effect for the past 5 years. The difference between the wet assessment collected within the last 5 years and the amount chargeable at the dry rates may be refunded to the occupants.

MUZARAYI.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Muzarayi),—dated 31st October 1892.

No. 48-50—Muz. F. 25-92, dated Bangalore, 31st October 1892.

Order.—His Highness the Maharaja's Sanskrit College at Mysore is maintained out of Muzarayi Funds which became available for this purpose, as well as for other Charitable Institutions in Mysore, by the abolition, several years ago, of various feeding Chattrams with specific grants, which existed in the neighbourhood of the Mysore City. The funds thus available have been supplemented by State Muzarayi grants and they now amount to Rs. 25,172—15—11.

2. In October 1883, His Highness the Maharaja was pleased to lay down definite principles for the management of the Sanskrit College and the Charitable Institutions in question and to promise that after some experience had been gained of their practical working, final orders would be passed on the subject. During the 9 years which have since elapsed, much has been done for the diffusion of a knowledge of Sanskrit Literature in all its branches. Owing to the rapid growth of the College, it is found impossible to maintain with present funds the high standard which has been adopted, and it is accordingly resolved to sanction for this College a grant-in-aid from the Educational Budget of Rs. 6,500 per annum. The total amount available for the College and other Institutions in question will thus amount to Rs. 31,672—15—11 as follows:—

EDUCATION.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Educational),—dated 27th October 1892.

READ :—

The Budget Estimates of the Village School Fund for 1892-93 prepared by the Education Secretary.

C. No. 128—44, DATED 27TH OCTOBER 1892.

ORDER THEREON.—The *Receipts* of the Village School Fund consist of (1) 24 per cent of the Local Cess, (2) School Fees, (3) Examination Fees and Miscellaneous Items. Under the first head the actual receipts of 1890-91 or Rs. 1,92,572 together with an addition of Rs. 10,524 expected from the increase during 1892-93 in excise Revenue, or Rs. 2,03,096 in all, will be adopted as the estimated receipts for the year 1892-93 ending 30th June 1893. The actuals of 1891-92 cannot be taken as a guide for framing the estimates of 1892-93, as the collections of that year, even after making due allowances for the change in the Khistbandi were particularly low on account of unfavourable seasons. The school fees actually collected in 1890-91 were Rs. 7,080, but those collected during the first twelve months of 1891-92 were only Rs. 4,289 as the attendance in the Village Schools was greatly reduced in consequence of the prevailing scarcity. A sum of Rs. 6,000 will be adopted as the estimated receipts of 1892-93. The rates of the Local Examination Fees have recently been raised. The estimate under the third head will therefore be taken to be Rs. 3,000 against Rs. 2,062 the actual receipts in the first twelve months of 1891-92. The total estimated receipts thus amount to Rs. 2,12,096.

2. *Opening Balance.*—The balance at the credit of the Village School Fund on the 30th June 1892 was Rs. 2,01,969. The total amount available for expenditure during 1892-93 is therefore estimated to be Rs. 4,14,000 in round numbers.

3. *Expenditure.*—The subjoined statement shows the existing sanctioned expenditure and that proposed for 1892-93 :—

		Actuals for 1890-91.	Existing sanctioned cost.	Estimate for 1892-93.	Increase or Decrease.
I	Instruction	1,36,607	1,47,240	1,54,851	+ 7,611
II	Normal Schools	...	...	7,680	+ 7,680
III	Inspection	9,617	...	...	...
IV	General—				
	(*a*) Education Secretary's and Book Depôt Establishment	11,969	1,584	1,584	...
	(*b*) Pensions and Gratuities.		1,000	2,600	+ 1,600
	(*c*) Furniture		3,000	3,000	...
	(*d*) Books and Maps ...		3,000	3,000	...
	(*e*) Buildings		21,000	20,000	— 1,000

V	Local Examinations	4,433	6,324	6,564	+ 240
	Total.....	...	1,86,648	2,02,200	+ 15,552

The increase under Item I is due to a provision of Rs. 3,432 for new hands and increases of pay in Taluk Branch and Hobli Schools, a provision of Rs. 3,600 for new schools to be opened during the year, and a provision of Rs. 579 for the contingencies of the schools at the Head-quarters of Taluks or Sub-Taluk transferred to the Provincial Funds and referred to in para 4 below, which is really no item of increase being the amount by which the provision for rent and contingencies under IV General is reduced. The increase under Item II is due to a provision for two Normal Schools, the establishment of which is under the consideration of Government. The increase under pensions is due to the retire-

ment of nine Sub-Deputy Inspectors. The usual provision for buildings is only Rs. 5,000, but Rs. 20,000 has been provided for 1892-93, as the greater portion of the provision of Rs. 21,000 sanctioned for 1891-92 remained unspent and most of the School buildings for which provision was made last year have to be constructed this year. The increases under Item V is for the employment of an additional writer in the Local Examination Office of which the work has considerably increased of late. The total estimated expenditure thus amounting to Rs. 2,02,200 for 1892-93 is sanctioned.

4. At present not only the cost of the Hobli and Taluk Branch Schools situated in the rural parts of the Districts, but also the cost of certain so called Taluk Branch Schools situated in the Head-quarters of Taluks and Sub-Taluks and of the salaries of a few teachers employed in Taluk Schools, maintained from the State Funds is borne by the Village School Fund. This is an anomaly. The Schools at the Head-quarters of Taluks and Sub-Taluks maintained from the Village School Fund do not differ either in the standard of instruction imparted or in any other respect from the Taluk Schools which are maintained from the State Funds. Government thinks that it would be an intelligible rule if all Schools situated at the Head-quarters of Taluks and Sub-Taluks were classed as Taluk Schools and maintained from the State Funds. Government accordingly resolves to class all such Schools from the 1st January 1893 as Taluk Schools. But until it becomes possible for the State Funds to bear the entire cost of the Schools at the Head-quarters of Taluks and Sub-Taluks, a grant of Rs. 15,582 which is the cost of such Schools provided in this year's Village School Fund Budget will be made from that Fund for the maintenance of the Schools and will be included in the State Funds Budget for Education (*vide* statement of schools appended.). For the current year half the cost amounting to Rs. 7,791 will be deducted from the total amount of Rs. 1,54,851 provided under Item I for instruction in the table given in para 3, and will be entered as "a Contribution towards the cost of Schools at Head-quarters of Taluks and Sub-Taluks." The estimated expenditure for 1892-93 revised as above will thus stand as follows :—

Item.	Description.	Estimate for 1892-93.
I	Instruction	1,47,060
II	Contribution towards the cost of Schools at Head-quarters of Taluks and Sub-Taluks	7,791
III	Normal Schools	7,680
IV	General	33,105
V	Local Examinations	6,564
	Total.....	2,02,200

5. The detailed estimates of receipts and expenditure are appended.

6. The present state of the Municipal English Schools is not satisfactory and Government is of opinion that the character of the instruction imparted in them would be considerably improved if the Schools were amalgamated with the Government Kannada Schools in the Municipalities and the study of English introduced into these Schools. Government would be glad to make this reform if the Municipalities concerned would agree to pay one-fourth of the entire cost of the Municipal English Schools as a grant-in-aid of the Taluk Government Schools. The Deputy Commissioners of Districts have been addressed on this subject, and when the views of the Municipal Boards are received, Government will pass separate orders regarding the English Schools.
